ARRIVAL

Arrival Assistance: You will be greeted with a personalized name sign at the landing visa area and escort you through the fast-track immigration line. Depending on the airport traffic conditions, the fast track lane may take up to 30min of queuing, vs. a 2-3h long wait during peak periods. After immigration, you will be guided to baggage claim and assisted with any lost or damaged luggage. The team member will then facilitate the security screening process before escorting you and your luggage to the hotel pickup point.

DEPARTURE

Departure Assistance: A team member from our service provider will meet you 2 hours prior to departure and assist with check-in at the priority counter. You will then be escorted through the fast-track immigration line and receive assistance with priority security screening procedures. Likewise, depending on airport traffic, although the queuing time will be significantly reduced, the fast track lanes may require some queuing.

Please be advised that these exclusive packages are provided by our trusted service partner and may only be reserved alongside one of our transfer options.
