# Pakarang Dinner Menu

Delicate, complex dishes that come from the four corners of Thailand.

Modern takes on Thai classics.

Layered combinations of heat and sweetness.

Heaven wrapped in spring roll pastry.

Fragrant curries peppered with galangal, bird's-eye chilli and makrut leaves.

Intriguing local island dishes - deep fried betel leaves and prawns wrapped with crispy noodles, wok fried melinjo leaves and tiger prawn curry with mangosteen and Thai pea eggplant.

Always exciting.
