Travel Notes for a Seamless Journey

LANDSCAPE

Surrounded by verdant rice paddies and thick jungle canopy, the spectacular scenery around Siem Reap is punctuated by more than 1,000 spectacular temples, the most famous being the majestic structure of Angkor Wat. The most sacred site of the early Khmer empire, Angkor reached its peak between the 9th and 14th century. The ancient kingdom ruled much of Southeast Asia before being succeeded by Thailand.

PEOPLE

The predominant ethnic group of the region are Khmer people, who make up 90% of the Cambodian population. Like many other early peoples of Southeast Asia, they were part of greater India before moving to the region and establishing the most extensive urban civilization of pre-industrial times under Jayavarman II. Despite having endured torturous years of hardship, Cambodians are still courteous, peaceful and welcoming. The national language is also known as Khmer, which is spoken by the majority of the population.

WEATHER

Cambodia has a temperature range from 21 to 35 °C and experiences tropical monsoons. Southwest monsoons blow inland bringing moisture-laden winds from the Gulf of Thailand and Indian Ocean from May to October. The northeast monsoon ushers in the dry season, which lasts from November to April. The country experiences the heaviest precipitation from September to October with the driest period occurring from January to February.

VISA

Several countries are required to have a VISA to travel to Cambodia. The Ministry of Foreign Affairs and International Cooperation has launched e-Visa, which enables to apply for a Cambodia tourist visa online. Alternatively, a visa on arrival service is available at Siem Reap Angkor International Airport.

Tips for Travellers

- Most visitors to Cambodia require a 30-day tourist visa that can be arranged upon arrival at the airport (\$30). Passport holders from Asian member countries do not require a visa to visit Cambodia. Please have a passport sized photo ready or you can pay \$2 at the airport if you don't have one.
- If you take an electronic device that does not accept 220 volts; 50Hz, then you might require a voltage converter.
- Please dress modestly for any excursions with shoulders and thighs covered as a mark of respect for the local culture.
- If exploring temples, make sure to wear comfortable shoes. It can be extremely hot during the middle of the day and rainy season can mean fierce downpours. Be sure to carry an umbrella and stay hydrated in the middle of the summer days.
- The most frequently used foreign currency is the US dollar and almost all items are priced in US dollar. All the resorts and hotels accept major credit cards, which includes American Express, Visa card, Master card and JCB card.

Getting Here

Anantara Angkor Resort is conveniently situated a 45-minute drive from Siem Reap Angkor International Airport, which offers both internal flights from within Cambodia and a range of direct international connections from neighboring countries. The town can also be reached by land from Thailand or Laos, as well as via the Mekong River.

Should you wish to book for the airport transfers service or travel to Angkor Wat, or any other sites of interest, these vehicles can also be booked on a daily basis at an additional charge.
