Anantara Angkor Resort CAMBODIA

Following extensive renovations Anantara Angkor Resort is an absolute retreat; an oasis in the bustling streets of Siem Reap, with a collection of luxurious rooms and suites designed to cater to the needs of the modern traveler.

The resort offers a range of accommodations, from spacious suites to grand villas, each with its own unique features and amenities. The resort's central location makes it an ideal base for exploring the local attractions, including the Angkor Wat temple complex.
