

# FULLMOON

Welcome to our award-winning signature restaurant with spectacular views to match.

Full Moon is headed by South African Executive Chef David Eldridge, who together with his team handcrafts contemporary flavours with a hint of Asia.

Mother Nature is our muse, and we draw on the highest quality, certified organic and free-range produce. Locally sourced ingredients include island fruits and vegetables, Kasetsart University's farming cooperative beef, herbs from our on-site micro-garden and of course the bounty of the ocean that surrounds us.

Pair each exquisitely flavoured dish with recommendations from the Wine Guru. Our signature gin trolley also features 11 types of gin, including from boutique Thai distillery Iron Balls.

Please note that, to play our part in conserving our beautiful surroundings, Full Moon uses biodegradable straws only.
