TROPICAL WONDERLAND

Festive Season at Anantara Bophut

Dear Guest,

It is my absolute pleasure to extend a warm invitation to our enchanting Wonderland-themed festive season. Inspired by the magical world of Lewis Carroll's "Alice in Wonderland," this year's celebration promises a whirlwind of whimsy.

From curious encounters to captivating performances delivered by characters plucked straight from Wonderland, this season will dazzle you with awe-inspiring illusions and dance.

Not to be outshone, our talented chefs are putting a delightful twist on the culinary side of the experience, inviting you to embrace the extraordinary with dishes that bridge tradition and innovation.

Welcome to Samui's sandy shores for an immersive experience that blurs the lines between reality and fantasy.

Yours in wonder,

Thomas Boehringer
General Manager
