SIGNATURE EXPERIENCES

Drawing on Anantara Spa's world-class expertise, the finest indigenous wellness traditions and unique holistic therapies, our collection of highly specialist rituals blend luxurious pampering with powerful long lasting benefits for body, mind and soul.

ANANTARA BOPHUT COCONUT DREAM (105 minutes)

Experience holistic balance through a fascinating ancient Thai treatment, inspired by tropical island wellness. To begin, reflex points on the feet are stimulated by standing on a coconut shell, followed by rhythmic tapping using a coconut stick - bringing overall wellbeing to corresponding organs in the upper body. Then melt into a full body deep tissue massage that uses nourishing heated coconut oil to radiate warmth and energy deeply into the muscles to stretch fibres, release tension and improve flexibility. Emerge renewed and realigned in mind, body and soul.
