LOY KRATHONG 2023

MONDAY 27 NOVEMBER

Welcome to an enchanting Loy Krathong experience at our Chiang Mai resort!

As twilight descends, join locals at their community temples, making offerings to the river goddess. Witness the Ping River come alive with floating lanterns and the sky aglow with Yi Peng lanterns under the full moon. Upon arrival, embrace the festival's spirit with Loy Krathong-themed welcome cocktails on arrival.

An evening of merriment awaits the whole family with a tantalizing buffet on the lawn. Guests can then participate in traditional rituals, creating their own floating offerings and making merit at our beautifully decorated shrine. Captivating cultural performances of Lanna dance and traditional Thai music add to the festivities.

As the night unfolds, guests can float their offerings from our private pier, watching their wishes drift away on the shimmering river. Come and join us on this magical night of Loy Krathong celebrations, creating cherished memories under the captivating full moon.
