MAIN LOCAL REGULATIONS ABOUT DOGS IN PUBLIC AREAS

- Keep your dog on a leash. In pedestrian zones and on streets with heavy pedestrian traffic as well as in public buildings or on public transport, dogs must be kept on a leash no longer than 1 metre. Dangerous breeds are required to wear a muzzle. In public parks and woodland, the leash may be up to 2 metres long. The above does not apply for designated dog exercise areas. In such areas, dogs do not need to wear a muzzle either.
- Some public parks, all playgrounds and some public buildings (e.g. some tourist attractions, museums, concert venues and churches) and shops and restaurants generally prohibit dogs. Before visiting a public place, please check their respective website or consult the local Tourism Information Services.
- Dog owners are obliged by law to pick up their dogs' faeces and dispose of it in a public litter bin. Failure to do so may incur a penalty fee.
- Dogs must be kept leashed in trains, buses and trams as well as at bus, tram and railway stations. Please consult the website of the transportation companies to be aware of the specific policies and fees applicable.
