CAPTIVATING
AN OUTDOOR WONDERLAND
The golden shoreline that fronts the resort is beyond compare in beauty. A gourmet barbecue of fresh seafood can be set up at Sea.Fire.Salt, our signature restaurant, while champagne and cocktails are served from the Infinity Bar or your private bar at one of our pool residences overlooking the beach.
Scented with mint and sea breeze, the herb garden is an intimate enclave overlooking the ocean. Sparkling lights and wild floral arrangements showcase nature at her best. Host a themed banquet in a white marquee, complete with stage, lighting and sound for speeches and awards ceremonies.
Our sprawling gardens are dotted with water features and swaying palms. Both the infinity and lagoon pools are ideal for starlit soirees, with views of the ocean from each. Floating tray of food on water, surrounded by flickering tealights and the magic of a balmy evening.
