TREE LIGHTING CEREMONY

In the heart of the jungle, where every rustle of leaves and distant call of wildlife remind us of nature's grandeur, we invite you to gather with loved ones and reflect on the year's blessings, as we welcome the festive season with a mystical tree-lighting ceremony. Enjoy handcrafted Explorer cocktails as live jazz fills the air, savour delightful canapés, and watch the graceful Kinnaree Dance unfold under the twinkling lights.

Here, amidst the tranquil wilderness, we will celebrate the warmth and joy that only Christmas can bring.

C HRISTMAS TREE

This year's Christmas tree was created in collaboration with DoiTung and was inspired by Nong To, a hybrid creature from mythical folklore, with the head of a deer and the body of a lion. Aligning with Anantara Golden Triangle's passion for sustainability, the 'tree' was produced using discarded material and off-cuts from DoiTung's factories along with dried leaves, which were collected from the forest floor.

MEKONG NIGHT

Set against the serene backdrop of the Golden Triangle's converging rivers, the rainforest's calm and cool nights hold a special kind of magic. Observe the elegant movements of local indigenous performers and soak in the uplifting melodies of live music as you indulge in a delightful array of regional flavours and Christmas classics. Mekong Night offers a tantalising exploration of both culture and cuisine.
