UNIQUE ELEPHANT ADVENTURES

Saunter through bamboo forest and view breathtaking landscapes from a unique perspective. Be charmed by the playful antics of the baby in our herd. Or learn to command an elephant in age-old tradition with an interactive mahout experience.

As our elephant adventures are incredibly popular, the following activities are restricted to a choice of one per day. In order to ensure that all experiences are safe and exclusively intimate, space is strictly limited and we recommend that you book as far in advance as possible before arrival at the hotel.

Option 1: E.L.E. - Elephant Learning Experience

Observe the behaviour and playful interaction of the Golden Triangle Asian Elephant Foundation's rescued young elephants. Learn about this foundation's many scientific research projects, and for every booking we'll donate an additional THB 2,000 to support these important works.

Option 2: Walking With Giants

Embark on an exploration of the jungle wilderness with our elephants and their mahouts on their daily walk. Admire these gentle giants as they splash in the river or play in the mud, snack on leaves from nearby branches and socialise with the herd.
