

Welcome to Bar The Tailor, purveyors of fine cocktails. Those of you that know us well are aware that we often use our name and our hotel as inspiration for our menus. We have decided this season to embark on an adventurous transformation, delving into the enchanting world of mythical creatures. Our menu now showcases these wondrous beings from European lore, each drink a homage to these legends. Explore our five habitats and unveil our wide array of offerings to find what delights your palate. Bear in mind that we are Tailors, it would be our pleasure to create something from scratch that suits your taste perfectly. Furthermore, don't hesitate to inform us about any allergies you have.
