ACCOMMODATION

93 Rooms and Suites are designed in a spacious split-level layout inspired by Asian and French colonial architecture. This luxury accommodation offers space for relaxation, either in the lounge indoors or your open porch with views of the garden or Thu Bon river.

Deluxe Rooms

Step into 36 sqm of beautifully appointed bedroom and porch space overlooking our landscaped courtyard garden. Recline on your sofa indoors or relax on your daybed, whilst admiring the tropical surrounds. Inter-connecting rooms are available.

Deluxe Balcony Rooms

These colonial style rooms feature an open porch with ample views of the hotel's charming garden courtyard. Drift off to sleep after a day's exploration in a comfy queen size bed. Relax with your favourite beverage from the mini bar.

Junior Garden View Suites

Experience 42 sqm of charming contemporary style and luxury comforts. Relax on the sofa in the lower living area. Admire an exotic garden scene from your private porch. Choose interconnecting suites for greater access to friends or family.

Deluxe River View Suites

Savour elegant living space in a Deluxe River View Suite. Feel inspired by the destination from a daybed with soothing river views. Soak in a bathtub or take a revitalising shower. Enjoy direct access to the garden from your suite.

Premium River View Suites

Enjoy an elevated position on the first floor of our charming Hoi An riverside resort. Step onto your balcony to watch boats gliding along the tranquil water way. Curl up with a book or catch up on emails in the lower lounge space. Wake up to sip a coffee in the cool morning air.

Anantara River View Suites

Retreat to a luxurious haven with 84 sqm of living area. Unwind with a bath in your sunken tub. Stretch out on your large sofa bed with modern amenities to cater to your every need. Drink in peaceful river views from your swinging daybeds on the balcony. Drift off after a busy day in your blissful king size bed.

Time Zone GMT plus 7 hours

Climate Hoi An has a tropical climate with warm temperatures throughout the year. The year is broken up by distinctive wet and dry seasons.

The hottest months on average are June and July, during which time the daily high temperatures will be in the mid 30's. Nighttime temperatures during these months are in the mid 20's. The coldest months of the year are December and January. During these months the daily temperatures will be in the lower 20's, and will drop below 20 during the night. The rainy (or monsoon) season in Hoi An is from September until February. It can rain constantly during October to January. There are days during which sunshine is abundant, but they are not the majority. The dry season is from late February until September. These months provide plenty of sunshine and warm temperatures. The occasional thunderstorm can be experienced during these months.
