The art of fine dining

Whether your heart's desire is to savour an exotic journey of Thailand's regional specialties, the passionate creations of our Italian Chef, a flawless wine pairing degustation dinner, sumptuous seafood or a flame grilled feast, our collection of fine dining menus offer a gourmet choice.

The opportunity to collaborate with your chef allows you to fine tune any one of our set menus, and even to create an entirely new menu that perfectly suits your personal tastes and preferences.

Enjoy a complimentary glass of wine, beer or perfectly concocted cocktail from our Dining by Design beverage menu, and call upon our Wine Guru to recommend the ideal wine and champagne to complement the flavours of your chosen cuisine.

Enriching the experience, your private dining retreat is made even more romantic by flame lit torches and a serenade by our house band. We also invite you to release a traditional krathong float with your heartfelt wishes after dinner, and a photograph of your special occasion inspires fond memories long after you leave us.

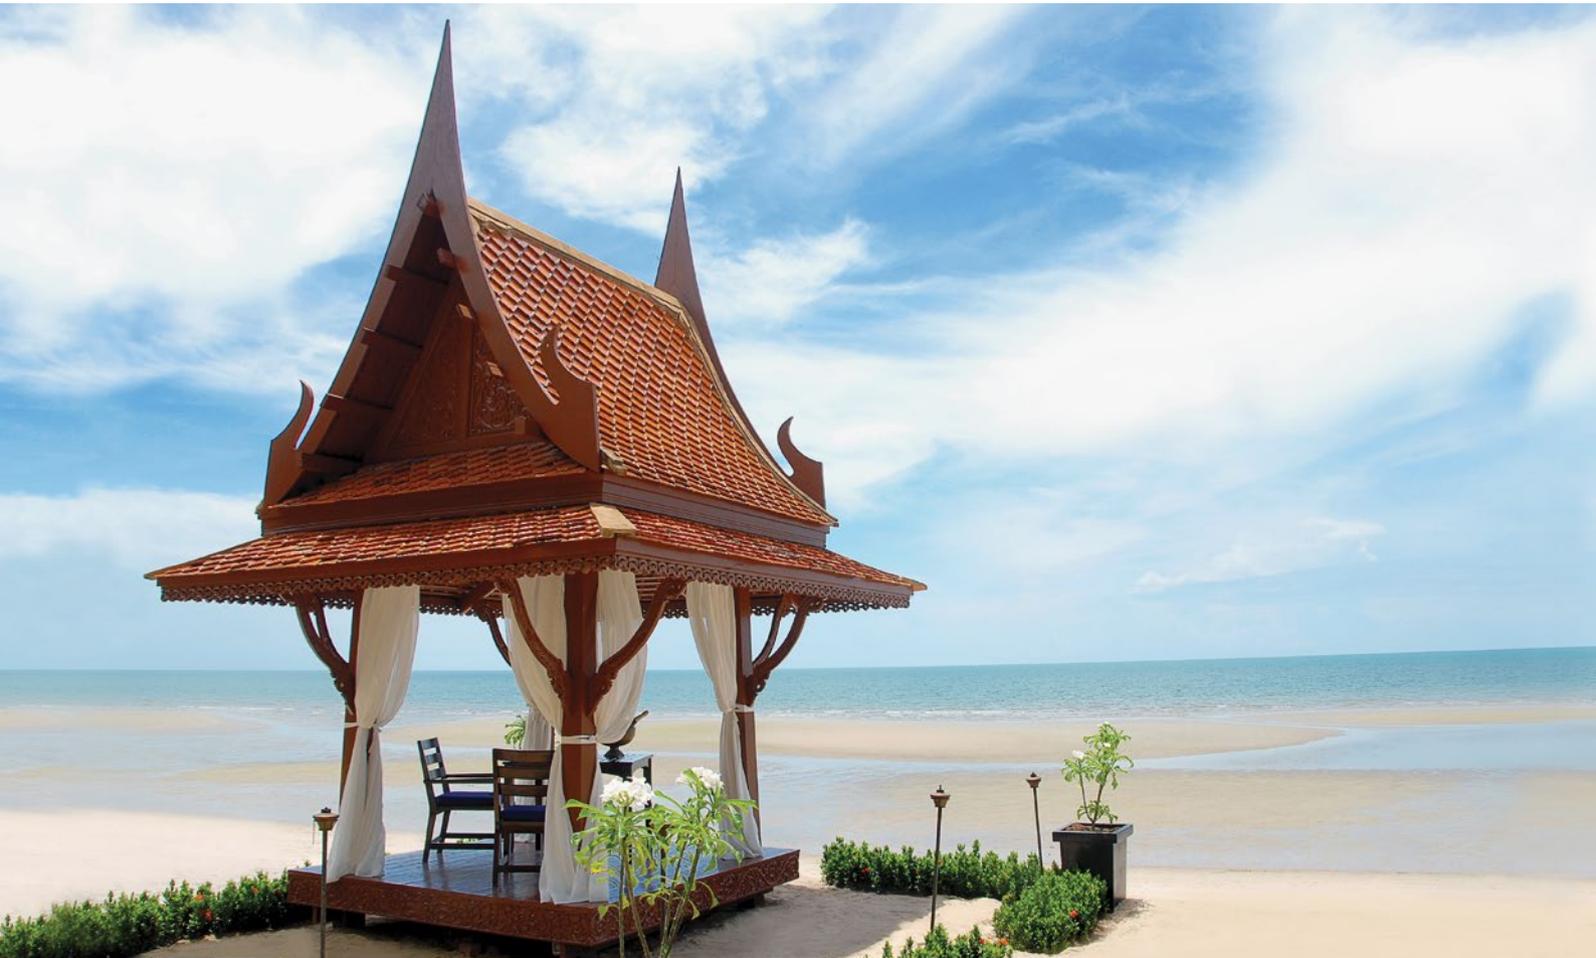

Reserving your private Dining by Design journey
