

Anantara Hua Hin Resort, is proud to present our new “Core Wine List Program”, a program personally designed by our team of Wine Gurus that ensures your expectation of a great wine experience is fulfilled. This “Core List” is selected from all of the great wine regions of the World, including “New Latitude” wines from Thailand. All wines marked with an asterisk indicate that the wines are available at each of the Anantara Resorts across Thailand, and are recommended by all of our Wine Gurus across Thailand. Wine is an important part of your experience staying at our resort, and we hope to fulfill all your expectations.

The wines on this list are grouped together in categories for your convenience. Our Wine Guru is always available to serve you and to answer any of your questions.
