These waves of ample and enveloping actions reproduce the comings and goings of the ocean, to relax the body and relieve tension. Cradled by these successive comforting waves, the body and the face are intensely re-energised.

HAMMAM RITUALS

HAMMAM BEAU'THE SOYEUSE (50 minutes)

Immerse yourself in the vapours and calming colours of Hammam. This gently relaxes the body in preparation for the traditional Moroccan scrub with black soap. Lie on a magnificent heated table covered with a thick layer of marble, while a rhassoul detox wrap is applied all over the body. Finally, the “Crème Changeante Soyeuse” silky cream is applied to provide the skin with intense nourishment.

CEREMONIE SERENI'THE (105 minutes)

An anti-aging facial combining the effectiveness of enzymatic peeling, the lifting power of massage with a mask, and the relaxation of a nutri-regenerating massage of the hands and feet. A self-heating body wrap with cranberry then deeply regenerates the skin. In parallel, a deep massage of the scalp allows one to plunge into a deep state of relaxation, while techniques of digito-pressure stimulate the face. Finally, the body is veiled with a silky hydra-firming cream with aromatic notes of vanilla, musk and brown sugar.

CEREMONIE ROYALE (180 minutes)

This VIP ritual offers a transformative journey for the senses. The vapours of the Hammam gently awaken the spirit. Then the Velve'teabody scrub, performed on a hot marble table, combines the exfoliating properties of bamboo powder and sea salt with the softness of apricot oil, macadamia and shea butter. The escape continues with an ultra-relaxing body massage, alternating kneading and smoothing to relax and release muscle tension.
