

Environmental Management System Policy

At Anantara Kalutara Resort, we are committed to delivering a luxury hospitality experience to our customers without inhibiting natural resources.

As a responsible corporate citizen, we ensure the safety and security of all our stakeholders and the environment. In order to achieve our Environmental Management System (EMS) objectives, we are committed to:

Our Commitments:

- Establishing, implementing, and maintaining ISO 14001:2015 Environmental Management System (EMS) requirements throughout the organization.
- Focusing on optimal energy and water use, managing our overall carbon footprint, and minimizing waste.
- Protecting the environment, including the prevention of pollution.
- Complying with all applicable legislation, codes of practice, industry standards, specifications, and other requirements.
- Analyzing and evaluating environmental aspects and impacts associated with our activities, and initiating actions to mitigate such impacts.
- Upgrading human capital through continuous professional skills development.
