## GIN COLLECTION

Welcome to our gin collection of over 40 labels, the widest selection in the Maldives, carefully curated from producers around the globe.

This story begins, as many interesting ones do, with a drink. A drink that has followed an evolution alongside its drinkers, come through pestilence and plagues, through wars, through continents. A drink that has been the stalwart of sailors and the champion of soldiers. A drink prescribed by doctors, heralded by politicians, and captured the minds and imaginations of centuries of humans.

Gin aficionados, let your ima-gin-ation run wild! There's nothing quite like a Gin & Tonic on a hot day. Or on a cold day. But then, there's nothing like a Dry Martini either. Or a French 75. Or a Negroni. Here's a collection of G&Ts, classic and contemporary cocktails including icy slushies that celebrate that favourite spirit...so, let your drinks be-Gin!

Our passionate and dedicated team stands ready to assist you in your gin journey, through our selection of Mediterranean inspired cocktails, spirit-free drinks, fine spirits of the world and beverages.
