A treatment designed for the total wellbeing of the feet and legs. Ideal for relieving heavy legs, tired after long flights, this truly relaxing toes-to-knees massage focuses on muscle tension, joint mobility, blood circulation, skin elasticity and the swollen soles of your feet. The preliminary exfoliation performed with the Black Diamond Scrub facilitates the absorption of the cream used during the massage, optimising the effects of its active ingredients.

Hand & Foot Synchronicity (30 minutes)

A completely soothing and calming massage: from the toes up to the knees, from the fingers up to the elbows, this four hands synchronised massage creates a sensation of lightness to the whole body, relieving any muscle tension or heaviness in the legs and arms. The result is improved skin elasticity and optimum mobility.
