SPA JOURNEY WITH CHI NEI TSANG

A HOLISTIC BLEND OF GREEN TEA & CHI NEI TSANG

120 Minutes

FLORAL FOOT RITUAL | DETOXIFYING GREEN TEA SCRUB | CHI NEI TSANG MASSAGE | EXPRESS LIFTING FACIAL

Enter the New Year with mental and spiritual clarity as the Yule Moon wanes and give yourself the time to slow down, rebalance, unwind, and restore. We begin with a detoxifying green tea scrub to nourish and rejuvenate your body with the therapeutic properties of green tea before progressing onto the Chi Nei Tsang Taoist Abdominal Massage (CNT).

CNT is a holistic treatment focusing on the abdominal area. As Chi, the life-force energy, moves through the body's internal channels, nervous system, blood, and lymphatic vessels, it works with both the internal organs and energetic pathways of the body. CNT was developed by Taoists to clear out toxins and negative energy, the perfect treatment for starting over a new leaf.
