

The background of the image consists of numerous vertical stripes of varying widths and colors, creating a vibrant, rainbow-like effect. The colors transition from deep reds and oranges on the left, through yellows and greens in the center, to bright blues and purples on the right. The stripes have a slightly wavy, organic feel.

VIVID

M E N U

Welcome to the world of personalised IV experiences!

VIVID by Verita Health is a vibrant IV drip bar and your one-stop shop for science-backed wellness. Our goodness-packed IV formulas are precision-engineered to help you live a healthy life while looking and feeling your best.

Choose from our best-selling, celebrity-endorsed IV infusions or mix and match potent nutrients from our extensive collection to create a fully customised formula to addresses your individual concerns. We also offer advanced cellular treatments utilising advanced formula curated by Verita Health's team of global researchers, along with in-depth consultations. Our therapists, health practitioners and aestheticians specialise in fields ranging from functional medicine and performance enhancement to facial and body rejuvenation, and can help you devise a personalised wellness plan.

VIVID's range of highly effective and safe formulas offered as infusions which is designed to promote a host of health benefits, while Verita's exclusive Elements of Wellness programme helps you reach your wellness goals faster thanks to medical-grade oxygen and photoluminescence therapy to recharge the internal system by increasing O2 levels in the body and balance the circadian rhythm.

At VIVID, we go to great lengths to make you feel as relaxed and at home as possible. Our bright treatment rooms with vibrant accents and natural daylight are designed to promote well-being and help you decompress. Conveniently located in Turtle Village, you can pop in for an express IV drip or make a day out of it. The dining and spa outlets at Anantara Mai Khao Phuket Villa are just a short walk away and offer plenty of opportunities for enjoying a bit of indulgence.

At VIVID, we believe that there are no limits to wellness. If you are ready to take a proactive approach to well-being, we are here to guide you every step of the way and help you achieve your goals.
