

A WORLD OF UNIQUE EXPERIENCES

Borrow a board, mask or equipment to explore unspoilt island secrets. Spot dolphins and humpback whales amidst turquoise rushes. The startling beauty of the Quirimbas Archipelago comes with a sense of extraordinary adventure. Find a team member at the bar from 6.30 pm every evening ready to organise the perfect excursion for you.

NON-MOTORISED ACTIVITIES - Complimentary

Kayaking

Discover idyllic coastal beauty in a tranquil paddling journey. A range of single or tandem kayaks and safety equipment are available for our guests upon request, tide and weather permitting.

Snorkelling

Get lost in dazzling nature and ocean quietude just steps from the shore. There is an amazing snorkelling spot located directly in front of our bar. Moving between coral heads you will find exotic schools of fish in their natural environment.

Stand up paddle (SUP) boarding

Drift across serene turquoise waters, drinking up utopian scenery. Practice yoga poses on the water at sunset. We offer a versatile range of SUP boards from Red Paddle Co to help you find the right balance. Long-boards are also available for couples and families seeking adventure together.

MOTORISED ACTIVITIES

Whale watching

Observe magnificent creatures crashing through crystalline waves. From July to September, humpback whales move north to warmer waters formating and birthing season. On a fortuitous day, observe them from our waters. Please note: refunds not available in instances of no encounter.

2 guests (minimum) USD 100 p/p

3 guests or more USD 80 p/p

Snorkelling

Snorkelling expeditions can also be organised from a boat off the island at your desire, low tide and weather permitting. Our favourite site, located about a 10 minute boat ride south, features pristine coral reef and abundant aquatic life.

USD 35 p/p

Fishing charter

Charters takes place from our 9 metre Gulf Craft. Captain and crew are on hand to help select the right tackle and give guidance where possible. You might find yellowfin tuna, great barracuda, six different species of kingfish, giant trevally, job fish, dorado and wahoo to name a few. Sailfish and the occasional marlin have also been caught in these waters.

Half day – 5 hours USD 500 per boat Full day – 8 hours USD 900 per boat

A maximum of four people are allowed per boat. Tackle, water, soft drinks, selected alcoholic drinks, boat captain and crew are included. Due to conservation we do not target bottom fish and practice catch and release.
