The World's Most Romantic Island Getaways

By Jillian Dara February 25, 2020

Nothing sets the scene for romance like an evening under the stars, a secluded beachside bungalow, and intimate afternoons swinging in a hammock with your lover. Whether you're on the lookout for a place to spend your honeymoon, anniversary, or just an excuse to escape together, these 17 romantic island getaways charm couples with their peace, privacy, and swoon-worthy surrounds...

1. Medjumbe Island, Mozambique

Despite the intimacy of its 12 secluded villas styled with thatched roofs and African prints, the adults-only Anantara Medjumbe Island Resort still sits entirely under-the-radar. We chalk it up to its far-flung locale in the Quirimbas Archipelago off the coast of Mozambique, but trust us—the unspoiled beauty of this part of the world is well worth trekking to. Whether you're lounging on your sundeck, dipping in your plunge pool, snuggling in the shade of a cabana, or cooling off in your garden shower, it's a slice of paradise you have to see to believe. Looking for something even more remote (for a proposal, perhaps)? Book their Star Bed Experience to be whisked away to an uninhabited island for sunset, a picnic dinner, and a night sleeping under the stars.
