

COCKTAIL SIGNATURES

PHAN THIET DROP: *Ciroc Vodka, Grapefruit Juice, Green Pepper Syrup, Lime, Phan Thiet fish sauce AKA 'nước mắm', dried anchovy*

Phan Thiết is a renowned fish sauce that embodies the cultural heritage and traditional craftsmanship of Phan Thiết. Made from fresh anchovies fermented in large wooden barrels, this fish sauce is known for its amber color, rich umami flavor, and subtle sweetness. Over the centuries, Nước mắm Phan Thiết has become a culinary symbol of the region, reflecting the pride and dedication of the local community. In this cocktail creation, you will taste the flavor of Nuoc Mam at its finest, combined with the fresh pepper from Phu Quoc Island, a unique cocktail signature experience!

GARDEN BLOSSOM: *Lady Trieu Da Lat - Flowerbomb Gin, lychee Juice, Lime, homemade Bougainvillea flower syrup, sparkling water, alcohol infused citrus gummy bears*

In Central Vietnam, Bougainvillea is cherished for its vibrant colors and drought resistance, commonly used to beautify gardens and public spaces. Symbolizing hospitality, it's often seen at entrances, reflecting the warm local welcome. Combined with a floral gin from the highlands of Vietnam, this unique signature cocktail is a fresh and crisp recipe that will surprise you.

RIPPED DRAGON: *Jamaica Rum, Homemade Dragon Fruit Syrup, Kombucha*

Grown in the region's sandy coastal soil and ideal climate, the fruit's distinctive appearance, with its bright pink or red skin and unique shape, makes it a standout symbol of Phan Thiết. Called the 'Queen of the Night', the Dragon fruit plants produce large, fragrant flowers that only bloom at night. The fruit also packs a punch and is well known for its nutritive properties, antioxidants & particularly vitamin C. This signature concoction brings an exotic twist to the dragon fruit while the kombucha brings a touch of tartness and fizz, balancing the sweetness and adding a healthy fermented element. It's a creative blend of flavors, perfect for summer cocktail.
