Barefoot beach weddings on the shores of Mui Ne

WELCOME —

Spectacular beach weddings in Mui Ne

Where the sea remembers your day.

Your paradise beach wedding comes to life in extraordinary style at Anantara Mui Ne Resort — a refined beachfront sanctuary where natural beauty, local culture and intuitive service come together to create a celebration that feels effortless and entirely your own.

Say “I do” in a beautiful Western ceremony, honour meaningful Vietnamese traditions, or renew your vows with sweeping ocean views. Set along ten kilometres of unspoiled coastline in Phan Thiet - around two and a half hours from Ho Chi Minh City by private limousine or train — the resort offers a serene tropical setting for intimate vows and grand gatherings alike.

Let the expert team at Anantara Mui Ne Resort make your dreams come true, with elegant touches crafted for every moment.

YOUR WEDDING, YOUR CREATION —

A celebration as individual as **you** are

*Not a fixed package —
a canvas for your love story.*

At Anantara Mui Ne, every moment is crafted with intention and every detail handled with care. Rather than a one-size celebration, think of your day as a canvas: a beautiful ceremony at its heart, and a curated collection of experiences you may add, layer or set aside as you wish.

Begin with our signature barefoot ceremony, then make it unmistakably yours — fuller florals, a petal-lined walkway, a sunset cocktail hour, a starlit dinner, a fireside lounge to carry the night. Your dedicated wedding team will shape it all around your vision, so you arrive fully relaxed and stress-free.

Fully tailored to your desires, your celebration becomes a true reflection of your love story — flawlessly curated and effortlessly luxurious.

THE SIGNATURE CEREMONY SETUP

THE CEREMONY —

Your barefoot beach ceremony

Toes in the sand, the ocean as your backdrop, and the people you love gathered close. Our signature ceremony is thoughtfully composed and ready to be dressed in your chosen style. Every barefoot beach ceremony includes:

- ◆ A **bamboo or driftwood arch** with floral accents and flowing fabric draping
- ◆ **Floral accents** along your walkway to the sea
- ◆ **Tiffany chairs** dressed with ribbon in your colour of choice
- ◆ **Bridal bouquet**, hair flower for the bride and lapel flower for the groom
- ◆ **Rose petals** for your guests to share in the moment
- ◆ Chilled **detox water** served throughout the ceremony
- ◆ **Background music** speaker for your processional and vows
- ◆ A **dedicated wedding host** guiding every moment on the day

MAKE IT YOURS —

The same shoreline, entirely your own

The ceremony is the heart of your day — everything that follows is yours to choose. Recent couples have elevated the signature setup into something breathtaking: a lush, flower-laden archway, a crisp white walkway lined with cascading blooms leading down to the water, and soft draping that catches the sea breeze.

Layer in as little or as much as you love. Our florists and stylists tailor every petal to your palette, so two weddings on the very same beach never look alike.

POPULAR ENHANCEMENTS

- ◆ Lush floral archway & statement blooms
- ◆ Petal-lined walkway & white aisle runner to the sea
- ◆ Additional fabric draping & flowing fabrics
- ◆ Lanterns, candlelight & greenery beds
- ◆ Floral chair & napkin finishing touches

COLOUR & MOOD —

Colours that set the mood

Colour shapes the entire feeling of your day. We're glad to recommend a direction that suits the shoreline and the season — but the final palette is always yours to decide. Two we love on this coast:

I Ocean & Fisherman Blue

A nod to Mui Ne's fishing-village heritage — soft indigo and weathered teal against crisp white and natural linen. Calm, coastal and quietly timeless.

II Tropical Luscious Floral

Abundant and alive — lush greenery, frangipani and vivid blooms in full colour. Romantic, warm and unmistakably tropical.

Prefer something else entirely? Bring us your colours and we'll build the look around you — a personalised mood board follows once your direction is set.

THE CELEBRATION CONTINUES —

From sunset toast to starlit dinner

The Cocktail Hour

An optional hour of welcome drinks and canapés as the sun lowers — the graceful bridge between your ceremony and dinner. Selected cocktails, mocktails and local beer, with a choice of canapés served by our team.

The Wedding Dinner

Dine beneath the stars or in refined comfort. Choose the setting, and our culinary team will craft the menu around it.

Beachfront

Feet near the sand and the sound of the waves — a generous buffet beneath the open sky.

L'Anmien Restaurant

Refined Vietnamese and Western dining in an elegant setting for your wedding celebration.

Ballroom

An elegant, climate-controlled setting for a plated set menu and seamless flow into the evening.

Bring the evening to life with a live band or DJ, and an LED screen for messages, films and photo montages.

GOOD TO KNOW

To care for all our guests, beachfront music plays acoustic after the evening curfew, while full sound and lighting continue in the air-conditioned Ballroom.

AFTER DARK —

When the night is *still young*

When the dinner winds down, carry the celebration on.

BEACH SAND LOUNGE

Relaxed and intimate, from late evening into the night. Acoustic music, soft lounge seating in the sand, and an optional fireside marshmallow experience beneath the stars.

BALLROOM LOUNGE

High-energy and unforgettable. A lounge-style setup with a dance floor and full sound system, with a DJ to keep the floor moving into the early hours.

The touches that make it unforgettable

It is the small, considered touches that turn a beautiful day into one no one forgets. Add any of the following, in any combination.
