Anti-Aging Glow Facial

Experience our revitalizing anti-aging facial, tailored to infuse your skin with a glowing and youthful appearance. Harnessing the power of concentrated ingredients, it revives a dull complexion and addresses uneven texture. The facial begins with cleansing, followed by an enzymatic peel and toning. A customized concentrated ampoule is then applied, accompanied by a soothing massage, and finished with a rejuvenating mask.

Detox Facial

The Detox Facial offers numerous benefits, including the removal of toxins and pollutants while reoxygenating the skin. Our esthetician begins by thoroughly cleansing the skin, followed by the application of brightening toner and a detoxifying mask. Next, we apply a detox ampoule, performing a relaxing facial massage, and complete the treatment with a Janssen detox cream.
