

il Mare

# Beverage Menu

Il Mare means 'the sea' in Italian, and our exquisite cuisine is inspired by the Mediterranean coastline. Enjoy signature cocktails and an extensive list of wines as you take in the ocean view from either indoors or out at cliff's edge.

## Classic Cocktails

|                                                                                                                                                           |             |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| <b>Bullfrog</b><br>vodka, rum, gin, tequila, blue curacao, lime juice, red bull                                                                           | <b>7000</b> |
| <b>Long Island Ice Tea</b><br>vodka, rum, gin, tequila, triple sec, lime juice, coca cola                                                                 | <b>5500</b> |

Only whole leaf teas and herbs are used to preserve the pure goodness and aroma, with no added chemicals or preservatives. Meticulous care and attention, from the finest natural ingredients to packing, ensures you have an extraordinary tea experience.

Black Tea Selections

|                                                                                                                                                                                                                                                                                                                                                             |      |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|
| <b>English Breakfast</b>                                                                                                                                                                                                                                                                                                                                    | 1300 |
| It's a classic, and for good reason. The best English breakfast teas are pure invigoration in a cup. Bold, brisk and bright with exquisite amber depths. Our blend marries a real extrovert with a more chilled-out performer; strong, full-bodied Ruhuna tea with hints of caramel, and a mellower character from the Kandy region. True perfection.       |      |
| <b>Earl Grey</b>                                                                                                                                                                                                                                                                                                                                            | 1300 |
| Not all Earl Greys are created equal. For a truly exceptional taste and aroma, we use only 100% natural, cold-pressed oil from Calabrian bergamot oranges. It's infused with wonderfully mellow tea from Ceylon's Kandy region for a soft and sophisticated citrus zestiness. And, to finish, a sprinkle of cornflower petals, because they look so pretty. |      |
| <b>Ceylon Seasons Nuwara Eliya Highlands</b>                                                                                                                                                                                                                                                                                                                | 1300 |
| the mountainous highlands imbues a floral aroma and delicate taste, greenish in appearance and brews bright yellow infusions                                                                                                                                                                                                                                |      |
| <b>Ceylon Spice Chai</b>                                                                                                                                                                                                                                                                                                                                    | 1300 |
| robust and complex with cinnamon, ginger, cardamom, cloves and star anise – best appreciated with hot milk and a spoonful of honey                                                                                                                                                                                                                          |      |
| <b>Ceylon Lemongrass</b>                                                                                                                                                                                                                                                                                                                                    | 1300 |
| a perennial favourite that intermingles fragrant lemongrass with zesty lemon flavours                                                                                                                                                                                                                                                                       |      |

| <b>Marrakech Mint</b>                                                                                                                                                                                                                                                                                       | 1300 |
| perfectly rolled gunpowder tea leaves mixed with spearmint – an aromatic and refreshing blend                                                                                                                                                                                                               |      |
| <b>Jasmine Green</b>                                                                                                                                                                                                                                                                                        | 1300 |
| crafted blend of jasmine petals and long leaf green tea imparts a gentle, pleasing taste and aroma when lightly brewed                                                                                                                                                                                      |      |
| <b>Emerald Sencha</b>                                                                                                                                                                                                                                                                                       | 1300 |
| Not all green teas are created using the same method. Emerald Sencha is steamed in the Japanese way, giving the brewed tea a beautifully vivid emerald green colour. Increasingly popular, this Sencha blend has long, slender leaves and a delicate, light body with umami notes. Deliciously distinctive. |      |

# Oolong Tea Selection

|                                                                                                                              |      |
