PRE-THEATRE MENU - SUMMER 2023

What's the story? That's a Dublin expression, and so is this restaurant. Forbes Street by Gareth Mullins is an expression of all that's brilliant in our contemporary, thriving, eclectic capital city: innovation and imagination meets hospitality and comfort. Look at this place. The kitchen is wide open and the room is light, airy and calm. It's that way because we want you to become a part of this story. To be immersed in it. But ok, you're here for the food so what's the story there?

Before you is a menu that continually changes, evolves, grows. That's because we specialise in ingredient-led cooking featuring local produce, prepared seasonally with skill and craft. As those ingredients change or we find new producers or flavours, we adapt. So everything here is carefully considered, from the breads we bake ourselves every day to the oysters we bring up from Clare.

Are you ready? Great. If you like small plates for sharing – pick whatever you like but if you insist we recommend something, try our incredible dry-aged Irish beef. This could be the best steak you ever have.

HEAD CHEF

IRISH RAINBOW TROUT

This rainbow trout comes from third generation producers in Goatsbridge in Co. Kilkenny, straight from the crystal-clear waters of The Little Arrigle River, which gives the trout a very special taste all of its own.

IRISH DRY AGED BEEF

From John Stone Beef in County Longford, comes the most succulent, tender, flavoursome steaks. We dry age them right here so, if you like, you can select your own steak before we flame grill it your way.
