

SAMPLE PRE THEATRE MENU

What's the story? That's a Dublin expression, and so is this restaurant. Forbes Street is an expression of all that's brilliant in our contemporary, thriving, eclectic capital city: innovation and imagination meets hospitality and comfort. Look at this place. The kitchen is wide open and the room is light and airy and calm. It's that way because we want you to become a part of this story. To be immersed in it. But ok, you're here for the food so what's the story there?

Before you is a menu that continually changes, evolves, grows. That's because we specialise in ingredient-led cooking featuring local produce, prepared seasonally with skill and craft. As those ingredients change or we find new producers or flavours, we adapt. So everything here is carefully considered, from the dry aged Irish beef to the shellfish we bring up from Clare.
