SPA

WELCOME TO ANANTARA SPA.

Rooted in the beautiful country of Thailand, the essence of Anantara philosophy, 'without end', stems from ancient Sanskrit origins. At Anantara Al Jabal Al Akhdar Resort, this principle blends with the timeless traditions of Arabia and the incredible natural resources of the surrounding land. Sensual spa journeys are experienced in five luxurious spa treatment rooms including two couple's suites, a private Hammam and a beauty salon.

Indulge in luxurious spa therapies that combine the spa wisdom of both East and West in a quiet sanctuary 2,000 metres above sea level. This dramatic setting accentuates your escape from the stresses of daily life. Separate male and female Thermal Suites offer a Himalayan salt-infused steam room, aroma sauna room, experience showers, private indoor relaxation bed chambers, and outdoor relaxation suites with loungers, along with a health station with nutritious snacks, fresh fruits, and herbal teas.

Release tension and revitalise with indigenous rituals that harness the natural power of the damask roses and pomegranates that grow in abundance in the fertile region of Al Jabal Al Akhdar.

A visit to Anantara Spa connects you to both the surrounding environment and our Thai and Arabian heritage to balance your body and mind. Experience the wealth of wellbeing as we immerse you in healing treatments with enduring benefits.
