Paris is for (Hotel) Lovers

Paris has six (count ‘em—six!) properties on the list this year, only the second time this has happened.

Off the Beach

Properties in traditional sand-and-surf destinations like Miami, Sicily, Sri Lanka, St. Barts, Oman, and the Yucatán are opening nowhere near the shore.

11%

Portion of properties we scouted that made the cut, making this our most selective Hot List ever.

$30,263

Nightly rate of the Suite Impériale, a replica of Marie Antoinette’s Versailles bedroom preserved as a national monument, at the Ritz Paris.
THINK SMALL
More than half of the hotels on the list this year have fewer than 50 rooms.

ABOUT NEXT YEAR
This is the first time London did not have a single property on our Hot List. Expect it to come back in a big way (we’re already gaga for The Ned).

Years in age of the ikeniwa (pond garden) at the Four Seasons Hotel Kyoto.

Number of times our smallest hotels (28 Kothi, L’Hôtel Marrakech, SingleThread, Thanda Island) could fit into our largest (Jumeirah Al Naseem), based on room count (5:430).
