## SUN-KISSED COOLING FACIAL

60 minutes / QAR 600

A taste of colder climes to soothe, rehydrate, protect and cool the temperature of the skin.

Benefits the sun-stressed skin in need of a rescue or someone in dire need of a refreshed skin during the warmer climates. This results-oriented customised facial is a twist on our signature facial for those hot summer days. We use products that are cooling, soothing and leaves skin

feeling fresh, renewed and clear. Enjoy a Cryo-stick facial massage to reduce redness and minimise inflammation whilst contouring the meridians of the face for a further draining, decongestant, and firming effect.

Like a gentle sea breeze across the face, this facial treatment leaves your skin feeling refreshed and rebalanced.

## AFTER SUN RECOVERY BODY WRAP WITH A COOLING MASSAGE

60 minutes / QAR 600

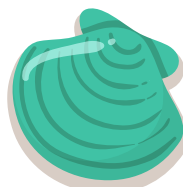

A refreshing treatment designed specifically for the summer, whether it is pre or post sun exposure.

This treatment is inspired by local traditions of Bangkok and utilizes a soothing wrap of red rice and ground herbs cooked in milk. These ingredients are applied to the sun-exposed skin to soothe and reduce inflammation. Following a gentle 60 minutes by an Aloe Vera and Cucumber massage to

calm, cool and refresh whilst replenishing and hydrating the skin.

This body rescue treatment remedy rounds off with a relaxing foot massage to leave you feeling as light as a feather.

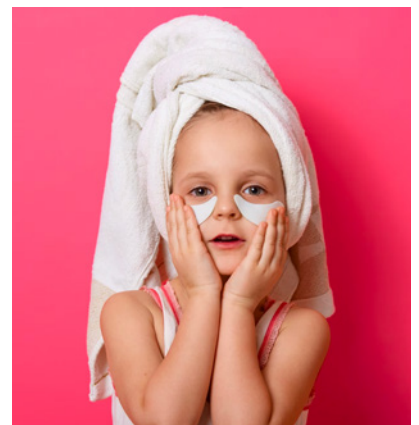

## KIDS' GENTLE CALMING FACIAL

30 minutes / QAR 150

Magical facial fit for our young spa enthusiasts with a mild cleansing and relaxing facial massage to gently rid the skin of any impurities. An oatmeal masque is applied to calm the skin with the comfort and benefits of honey and oats to reduce the appearance of flushed skin. A Cucumber cooling eye masque cools and relaxes, whilst a softening and protective moisturizer completes the skin to combat any sunrays and pollutants like a superhero.
