

HOTEL SAFETY

ANANTARA'S STAY WITH PEACE OF MIND PROGRAMME

Anantara Siam Bangkok is proud to announce that we were awarded the following certifications: the “Amazing Thailand Safety and Health Administration: SHA” certification from the Ministry of Tourism and Sports and a certificate of a Lodging Facility with High Hygiene and Safety Standards from the Department of Health and Ministry of Public Health. Hotel management remains committed to guest’s safety and will continue to uphold the highest health and safety standards.

For your peace of mind, we have put in place the following safety measures:

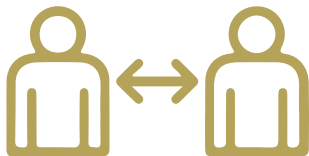

ENHANCED HYGIENE

- Using electrostatic spraying technology and EPA-approved disinfectants on all high-touch areas
- Sanitation stations with hand wipes and hand sanitiser

SCREEN & SCAN

- Temperature checks at all entry points
- Temperature readers on demand at sanitising stations

PHYSICAL DISTANCING

- Clearly marked physical distancing signage in elevators and public areas
- Private limousine airport transfers; one-on-one check-in; private fitness classes, dining and shopping

SAFE SERVICE & PAYMENT

- Face masks and gloves worn by team members at all times and changed regularly
- Touchless payment by scanning a QR code

Our measures are in line with guidance from the Department of Health, the Ministry of Public Health and leading expert advisory organisations including Ecolab and Diversey, global leaders in delivering excellence in cleaning and hygiene technology.
