

Welcome to Anantara Spa

Rooted in the beautiful country of Thailand, the essence of Anantara philosophy, 'without end', stems from ancient Sanskrit origins and extends seamlessly to our global reach of spas located in the most exotic destinations around the world.

Our enduring belief is expressed in perfect harmony through the traditions of each locale, beyond which a yearning for ageless, natural remedies is answered by a finely tuned repertoire of health and beauty concepts that harness intoxicating authenticity.

Serving as our Spa's aspirational icon of timeless radiance, the lotus flower blooms out of muddy water to rise above the surface in remarkable beauty to represent long life, health, honour and luck. It is one of the most ancient and allusive symbols of our planet, and in the East is associated with spiritual enlightenment. As one scholar has said: "The heart of beings is like an unopened lotus. When the virtues of spirituality develop, therein the lotus blossoms."

Nestled within a 3,000 square metre ancient Thai palace of striking architecture and tranquil water gardens, our award winning Anantara Spa is a true destination in itself. Six glass walled private treatment suites open up a natural vista to an embrace of tropical gardens, where rippling water and a myriad of blossoming lotuses coaxes a calming and harmonious flow of body, mind and spirit.

Unwind with treatments that combine rich local ingredients, including infusions of herbs and plants expertly blended to achieve delicate flavours, luxurious aromas and powerful sensations. Let us tailor therapies and signature rituals to suit your mood and wellness needs, as Anantara's dedication to the time-honoured, natural health beliefs of our ancient philosophy invites you to fulfil revitalising journeys that respond uniquely to your health and beauty ideals.

Step into the world of Anantara and experience exceptional luxury in breathtaking surroundings.

Let your cares slip away and your sensual journey begin...

At Anantara Spa, the greatest journeys are felt, not told
